1. I love with the love of the lord, not; I love you with all of me, my father, my son, my kingdom all, my all unrestrained and given to you and in you is. I love you. **I am not a lord over, I am a lord within, that lords not over, requiring obeisance, but surrender.** See what I have said, given, revealed, and challenged this day in my/your thinking, not; but by my word revealed and giving/maturing all who will eat of these words. I love you. I give you me.
2. I give you sunrise. I give you domains. I give you holiness unto righteousness for you gave it/me unto me. I love you. I lift you. I accord you into my possibilities, not; but my wholeness/allness and there is nothing restrained from you. **You have it/me all. You are it/me all. You are/have my kingdom. You are my crown.**
3. And I am who and operate when where? You know all things and all within you is and **you go/travel where now? London and the far places of the earth, not in wholeness not, but in wholeness/completeness.** See what I have said. Think not my appearing is not in me. It is in me. And who is me/am I? You, my body replete, complete, whole'd, man-woman'd **and who can see the handwriting on the wall for all things as they have been?**
4. **Oh so cataclysmic and who can see the day of comfort disappearing? And what/who will appear and what will be the rule-dom for them who seek rule-ish rule? And who will be the underdogs and overdogs?** And who will liberty flee in knowing all things be/reveal liberty to all who will, all who want it/me? **And who will saviors be to saviors? Oh see, be. Thank you.** Amen. I love you deeply.
5. Thou art a priest after the order of Melchizedek, not; yea, in it, being it, being me, being one, and **one is what/who and how many? Unlimited/infinite.**
6. And who can see the handwriting on the wall for limitedness/finiteness for the revealed of/to me? Oh there is none, none, none. I abundance am. I infiniteness am. I unlimitedness am. And I am I Am, and you are who? Me. I love you.
7. Who can see the day of unlimited resourcefulness, not within themselves of their own accord, thinking, but taking no thought for/of ownership, see/have mine? And having

mine operate in worlds limitless; and is there no thought for/in me, for my brethren? Yea, all the time, continuous. And you develop leaders, release leaders, leaders who leadership my body in surrender-tude now in/among/participating in orchestrations of only me. I love you.

8. Thou hast given you your all. I accepted. I am'd you. I am you. I Am'd you and you now I Am now take I Am to all I-Am's-receptive, those who will limit me not in/to me, but see me in complete/total surrender. I love you. Having all, surrendering to another never again/more. I love you all.

9. I make music. We dance. Shall we, all night?
And what will I give thee? Me/my kingdom, all. I am all in all. I make all things new. I am now. You are now. Your name is me, I Am, and I am now I Am to all who know me and want my appearing. I love you. In them. Of all things, above all things, over all else, surrendering all together loveliness to altogether loveliness, of my appearing, in my appearing, yea, in their mirror. I love you.

10. I laugh, I joy, I release homemakers of only me to make home and homes and where is my abode/home? In my body/kingdom, kingdom/body. And what is there but not-me, not; no longer exists. Has no power. I am me/one. Thank you.

11. You take London by storm, not; but by surrender. You bend over backward, not; but yea standing now in my allness, surrender all to all who ready are, father's voice guiding all, to the lovely, to the standing-who-will, who want me, and dictate to me nothing, but/yet surrendering into the loveliness that they are/I am. I love you all.

12. This time next week see me. See me. See me in the accord of one. I love you. Record of me. Record of me. Record of my accord. See what I have said/given and who what will would I do without you me? Yea, not a kingdom question. You are me one, one me, and me is one and one is me and let you forth, you having let me forth, now congruent all things/one in my kingdom of one. Thank you and amen. I love you.

Me
